BEAUTY  CENTER

We reserve times in our schedule for you and only you; therefore there is a **\$50.00** fee for no-show appointments and cancellations made less than **24 hours** in advance of the appointment. All new patients will be asked for a credit card number to reserve their first appointment. The credit card will not be charged unless a **24 hour** notice was not given upon cancellation or a now-show was ensued. Any Patient that arrives more than **15 minutes** late for an appointment may experience a delay in their service or may need to reschedule. If your appointment needs to be rescheduled the appointment will be seen as a no-show and a **\$50.00** fee will be charged. Payment is due on all services and products obtained at time of service. There will be a **\$30.00** charge for all returned checks. Failure to meet your financial obligations may result in a collection action for your account balance. This may include but not limited to the account being turned over to a collection agency, reported to a credit bureau, a claim filed for a judgment in small claims court. Once the account is placed in collection status, your future services at Ageless Beauty Center will be suspended. All outstanding patient account balances must be paid in full before your next visit or your appointment will be rescheduled. Your account will then be on a cash, credit card, or money order basis only. All attorney fees, court costs, and other expenses that relate to collecting your account will be added to your outstanding balance. The adult accompanying a minor and the parents (guardians of minor) are responsible for full payment. Unresolved accounts will result in the account being sent to collections, regardless of who is responsible for the balance due. If an overpayment is made by you on the account, a refund or credit towards your next service or product purchase will be issued as long as there are no other outstanding debts on any accounts which are under your responsibility. It is your responsibility to inform us of any changes in address, phone number, medical history, surgeries, cosmetic procedures, skin care regimen, professional skin care treatments, and medications taken.
